Delegations:

Diane Lalonde – Pioneer Park

Why were they evicted from the park in the way that they were? Did not think they did anything wrong and thought they should have been approached by one of the Council members instead. Could they still use the dumping station as they had paid for a seasonal pass at the park.

Council asked some questions and responded to hers. A follow-up letter will go out to Mr. & Mrs. Lalond regarding the subject.

Cheryl Drummond

Would like a letter from the auditor stating that she would like a letter from the township accountant stating that she did not embezzle any monies from the township with a copy of the letter also going to all residents.

It was explained that the accountant would not issue a letter unless a forensic audit was performed.

The auditor makes a statement on the audited financial statements every year.

A copy of the 2018 audit will be provided as soon as it is available.

Tim Gilmore -

Noise being created by windmill on property next to his mother’s property on Lake Mistinikon.

Wanted to know is the Township had any noise by-laws in place. Showed Council a short video the the windmill that is the subject of the complaint.

Suggested that he should contact the MNR and the MOE regarding Provincial Regulations.

Council will have staff research to see if there is anything regarding this issue in a Property Standards By-Law, a Nuisance By-Law or a Noise By-Law.
